

Saint Louis-San Francisco Railroad

Eagle River Division

QUARRY SWITCH JOB / RIVER CEMENT CREW

Responsibilities

Quarry Switch Job

Transfer loads and empties between Sulphur Springs Quarry, River Cement, IMA Ready Mix and Blue Star Ready Mix. Run train SPRSP when switching is complete.

Train SPRSP

Deliver train from South Park Terminal to River Cement at Riverside. Make pulls and spots per train manifest and return to South Park Terminal.

The crew of Frisco Fairbanks Morse Switcher #274 pulls a cut of hoppers loaded with aggregate from Sulphur Springs Quarry.

Blue Star Ready-Mix Spur
