

Saint Louis-San Francisco Railroad

Eagle River Division

ZONE 4: QUARRY & CEMENT CREW

Responsibilities

Quarry Switch Job

Transfer loads and empties between Sulphur Springs Quarry, River Cement, and Blue Star Ready Mix. Build and run turn to South Park Yard. Return to Zone 4 and spot cars to appropriate spurs.

Turn

Build & deliver train from Zone 4 to South Park Yard. Turn at the yard and return to River Cement with more cars to spot on designated spurs.

The crew of Frisco Fairbanks Morse Switcher #274 pulls a cut of hoppers loaded with aggregate from Sulphur Springs Quarry. Actual power may vary.

Blue Star Ready-Mix Spur
